

AbortionFinder is a search tool that helps people seeking an abortion in the U.S. find verified abortion care and support based on their location, age, and pregnancy stage.

SMS (English)

Text “Hello” to (435) 334-6337

SMS (Spanish)

Text “Hola” to (218) 328-7227

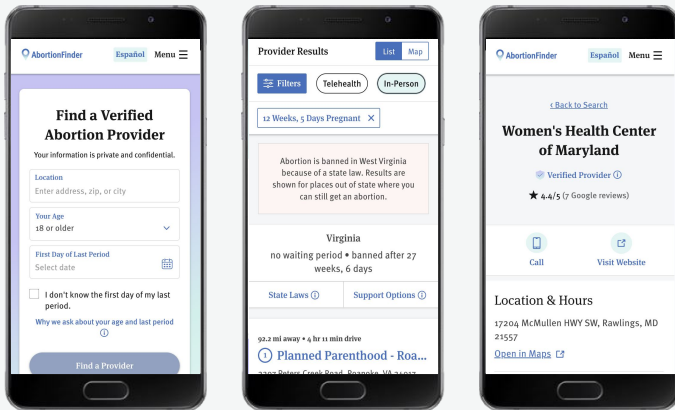

Website (English)

AbortionFinder.org

Website (Spanish)

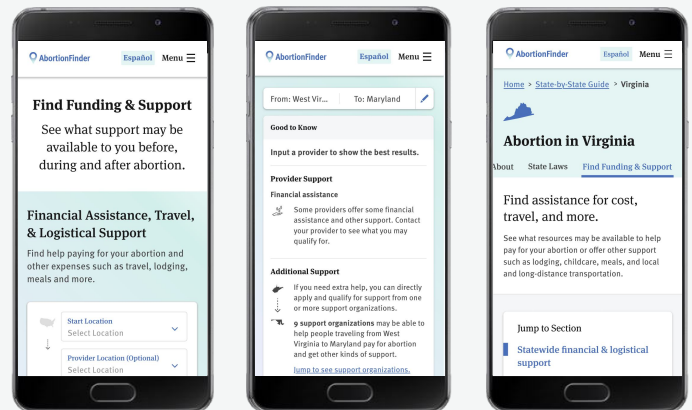

AbortionFinder.org/es

Find a provider

- 1 Enter your location, age, and the first day of your last period, or check “I don’t know.”
- 2 See the nearest verified providers offering abortion services in person and/or via telehealth at your pregnancy stage.

Find funding and support

- 1 Select your state, and if you’re travelling, you can also select your provider’s state.
- 2 See verified organizations that help pay for abortions or offer other support such as transportation, lodging, childcare, and more.

What else can you do with AbortionFinder?

State-by-State Guide

Select a state to get information about what to expect and to locate a provider or abortion support resources and assistance.

Educational information

Get abortion-positive, inclusive, medically accurate information about abortion and your options.

Appointment availability and travel information

See an estimate of the soonest available appointment. Plan travel more easily with a list of nearest airports and estimated driving time to each provider.

Cost Information

Provider-specific pricing, broken down by appointment type, pregnancy stage, and other factors, can give you a clearer understanding of your total costs.

What else should you know about AbortionFinder?

Everything on the site is informed by user research. We get our data directly from abortion providers and support organizations. We also rely on partnerships with other trusted organizations to make sure our data is accurate and up to date.
