<sup>1</sup> Evidence-based education programs

<sup>2</sup> This may include multi-state grants and/or grants that were awarded to an organization in another state, but are benefitting youth in your state.

<sup>3</sup> Replaced the Competitive Abstinence Education Program beginning in FY 2016.

## **FEDERAL TEEN PREGNANCY PREVENTION GRANTS<sup>4</sup>**

### **State Personal Responsibility Education Program (PREP)**

State of Maine, Center for Disease Control and Prevention

\$250,000

Through a sub-award to Jobs for Maine's Graduates, Maine is using its PREP funds to provide evidence-based programming to high-risk youth in alternative education programs.

## **TITLE X FAMILY PLANNING SERVICES IN MAINE**

- Title X–supported centers provided contraceptive care to 20,010 women in Maine in 2013.<sup>5</sup> These services helped women avoid 4,800 unintended pregnancies, which would have resulted in 2,300 births and 1,700 abortions.
- In the absence of publicly-funded family planning services, the number of unintended pregnancies and abortions in Maine would be 70% higher.<sup>6</sup>
- By helping women avoid unintended pregnancies and the births that would follow, the services provided at Title X-supported centers in Maine saved \$19.8 million in public funds in 2010.
- From FY 2010 to FY 2015, the amount of federal funding Maine received for Title X increased by \$223,810, resulting in 6,496 fewer (23%) patients were served.
- In Maine, 44 clinics receive support from Title X. They include Family Planning Association of Maine clinics (18), federally qualified health centers (16), Planned Parenthood clinics (4), health department clinics (3), and school-based health centers (3).

**About The National Campaign:** The National Campaign to Prevent Teen and Unplanned Pregnancy works to improve the lives and future prospects of children and families by ensuring that all children are born into families committed to and ready for the demanding task of raising the next generation by reducing unplanned pregnancy among teens and young adults. <sup>4</sup> Federal teen pregnancy prevention grants are listed as annual amounts, unless otherwise noted. State PREP, Tribal PREP, and Title V State Abstinence grant amounts, where applicable, reflect the most recent annual award.

<sup>5</sup> “Title X-supported centers” are supported by a mix of funding sources (in addition to Title X funding) including Medicaid, funding from state and local governments, private grants and fundraising, reimbursement from commercial insurance, patient fees, and federal grants.

<sup>6</sup> “Publicly-funded family planning services” refers to all public funding sources that support family planning services, including Medicaid, Title X, and other state and federal resources.
