¹ Evidence-based education programs

² This may include multi-state grants and/or grants that were awarded to an organization in another state, but are benefitting youth in your state.

³ Replaced the Competitive Abstinence Education Program beginning in FY 2016.

FEDERAL TEEN PREGNANCY PREVENTION GRANTS⁴

State Personal Responsibility Education Program (PREP)

Wyoming Department of Health

\$250,000

The Wyoming Department of Health administers the state's PREP grant and it is managed collaboratively between the Communicable Disease and Adolescent Health programs. The Wyoming PREP grant program is implemented state wide both in school and community based settings. The program uses evidence-based curricula and targets adolescents between the ages of 12 and 17 years, with a special outreach focus on foster youth and youth with disabilities. School based programming is targeted at 9th grade.

TITLE X FAMILY PLANNING SERVICES IN WYOMING

- Title X–supported centers provided contraceptive care to 7,950 women in Wyoming in 2014.⁵ Those services helped women avoid 1,900 unintended pregnancies, which would have resulted in 900 births and 700 abortions.
- In the absence of publicly-funded family planning services, the number of unintended pregnancies and abortions in Wyoming would be 62% higher.⁶
- By helping women avoid unintended pregnancies and the births that would follow, the services provided at Title X–supported centers in Wyoming saved \$23.4 million in public funds in 2010.
- From FY 2010 to FY 2015, the amount of federal funding Wyoming received for Title X decreased by \$69,784, resulting in 4,970 fewer (38%) patients served.
- In Wyoming, 16 clinics receive support from Title X. They include private non-profits (9) and health department clinics (7).

About The National Campaign: The National Campaign to Prevent Teen and Unplanned Pregnancy works to improve the lives and future prospects of children and families by ensuring that all children are born into families committed to and ready for the demanding task of raising the next generation by reducing unplanned pregnancy among teens and young adults. For more information, visit www.TheNationalCampaign.org.

⁴ Federal teen pregnancy prevention grants are listed as annual amounts, unless otherwise noted. State PREP, Tribal PREP, and Title V State Abstinence grant amounts, where applicable, reflect the most recent annual award.

⁵ “Title X-supported centers” are supported by a mix of funding sources (in addition to Title X funding) including Medicaid, funding from state and local governments, private grants and fundraising, reimbursement from commercial insurance, patient fees, and federal grants.

⁶ “Publicly-funded family planning services” refers to all public funding sources that support family planning services, including Medicaid, Title X, and other state and federal resources.
